

SRGC – MARCH 2008

Another golf season for the SRGC finally got started this last Thursday. Our **Empire Ranch** outing was postponed one week due to inclement weather. It's amazing what one week can do for the weather – pouring rain one week and the next was sunny and warm!

Considering the change of dates we had a nice turn-out. But there are a couple of things that I need to remind you about:

After finishing your round please take your scorecards **DIRECTLY** to the scorer (either Bud or Tom) – do **NOT** go to your car first **PLEASE!!!**

Pace of Play: We must play quickly to get done in a reasonable amount of time. Don't worry about being ahead of the people behind you. Just make sure that you keep up with the group in **FRONT** of you.

Golf Carts: Remember that just because we are using carts does not mean that we **MUST** ride to every shot! Drive to the first ball then while that person is preparing to hit the other player can drive **OR** walk to their ball. Both players are capable of driving the cart when necessary.

Play ready golf!

Be ready to hit when it's your turn. Have your glove on, have an extra ball in your pocket, plan your shot ahead of time. Remember **NONE** of us needs to take more than 1 or 2 practice swings! Each practice swing slows down the pace of play **TREMENDOUSLY!**

Scoring: Write the scores down at the next Tee box **NOT** at the green.

Care of the course: please sand your divots and repair ball marks on the green. Remember, we want the course to be in good shape the next time we play it.

I remember after the game that someone in the clubhouse wanted me to razz someone about something in the newsletter. Unfortunately not only can't I remember who I was supposed to tease I can't remember **WHAT** I was supposed to tease about. Ah well, maybe next time I'll write it down.

The **Castle Oaks Tournament** is on **March 20th**. It is going to approach **VERY** quickly since we had a late start. That means you need to get your sign-up forms back to Tom as fast as possible.

If anybody needs to cancel be sure and notify Tom Baker ahead of time. Tom needs to have enough time to regroup everyone as necessary.

See you all in a few weeks!
