

I guess this is a Occasional Newsletter this year! We have already had 5 Outings and all have had very good turnouts.

The first outing was at Empire Ranch in February. It rained the week before but the weather was very nice the day of our tournament. All results can be found at our website: [www.lar.com/srgc](http://www.lar.com/srgc)

The 2<sup>nd</sup> outing was at Castle Oaks. We had money in the pro shop to spend so I asked the guy there to pick out a few things and I'd come in after the game and decide on them. When I was waiting at the 2<sup>nd</sup> tee someone brought out the things that he'd picked out to get my approval. It was kind of fun having a personal shopper!

Our 3<sup>rd</sup> Outing was at Turkey Creek where I was able to pick up a few more things for our awards banquet in November.

Our 4<sup>th</sup> outing happened while Bud and I were in Alaska.... it was held at Auburn Country Club.

Outing #5 was at Timber Creek. Another great day....results are posted for all of the tournaments on the website.

The NCGA Associate Club Qualifiers are ongoing.

The 4-Ball Qualifiers (from Castle Oaks) are: The teams of **Dave & Jeff Sutter and Patrick Morgan & Flynn White.**

The Team Qualifiers (from Turkey Creek) are: **Rich Cowles & Jon Ellis and Dave & Jeff Sutter.** Our team played at Castle Oaks on June 10<sup>th</sup> and shot a 126 which tied them for 1<sup>st</sup> place! They will play in the Associate Club Sectional Qualifier at Poppy Ridge on July 21.

The Senior 4-Ball Qualifiers (from Timber Creek) are: **Scott Williams & Frank Kagarakis.** They will play in the Sectional Qualifier on August 5.

The Net Amateur Qualifier (our club gets 4 entries) will be 7/16 at Ancil Hoffman.

MONTEREY is coming soon! If you plan on going you need to let Tom Baker know as soon as possible. **Poppy Hills** requires a head count VERY early and doesn't do changes. This is ALWAYS a GREAT trip! If you haven't gone before please consider giving it a try it's worth the drive and it's a great excuse for a quick get-away! Day 2 is at Pacific Grove which is a really cool muni course nicknamed "the poor man's Pebble Beach" the views are SPECTACULAR!!!

Tom Baker is planning on this being his last year as our Tournament Director. We NEED someone to step up and volunteer for his job if we want the club to continue. Please

consider it – I'm sure Tom will be able to tell you all that the job entails if you ask him.  
One benefit of the job is getting to play in the tournaments for free.
